Role description: North Tyneside Citizens Advice is seeking to appoint new Trustees for a very successful service, which makes a notable impact for its clients.

An independent charity based in North Shields, we are part of the national Citizens Advice network. Our aim is to provide a client centred service that makes a real difference. The Trustee Board is responsible for the strategic direction of the service.

To achieve a more balanced and well-informed Board, we particularly need people with a background or experience in finance, in equality and diversity, anti-poverty engagement, and public/charities sector work. There is also the opportunity for a person with experience in leadership and governance to take on the post of Chair, which will shortly become vacant.

We value diversity and inclusion and welcome applications from all sections of the community.
